Welcome to our college course guide for 2024-2025. Here you will find a selection of just some of our upcoming courses, workshops and events.

We are passionate to support Thurrock's residents to develop new skills that will help you fulfil your potential and achieve your ambitions whether they be career related or personal.

August 2024 will be our first anniversary of moving to our new home in the Old Courthouse at the end of the High Street in Grays. It has a fabulous atmosphere with excellent facilities and is ideally located just a few minutes' walk from Grays train and bus stations. If you haven't visited us yet, now is the time!

We invite you to come along and see what you can learn with us – see the dates for our open days at the bottom of this page. If you can't make those dates just call in and one of our friendly team will be happy to answer your questions and help you.

Open days at the Old Courthouse, Grays:

- Tuesday 9 July, 10am – 2pm
- Tuesday 16 July, 10am – 2pm
- Tuesday 3 September, 10am – 3pm
- Thursday 12 September, 1pm – 6pm

LEARNING

HOW TO ENROL

If you've not studied with us before don't be nervous – our class sizes are small, around 12-14 people, you will be in a class with other adults with similar skills levels to yourself and our friendly, experienced tutors will ensure you receive all the support you need.

We want as many local people as possible to take advantage of the many job opportunities coming to Thurrock now and over the coming years.

Have an idea for a course we don't offer?

Scan the QR code to add your idea to our wish list and we'll see what we can do.

Online: www.tacc.ac.uk

Phone: **01375 372476**

In person:

Monday – 9am to 7pm

Tuesday – 9am to 5pm

Wednesday – 9am to 7pm

Thursday – 9am to 5pm

Friday – 9am to 4pm

Non-Term Time:

Monday – Friday - 9am to 3.30pm

Email: tacc@thurrock.gov.uk

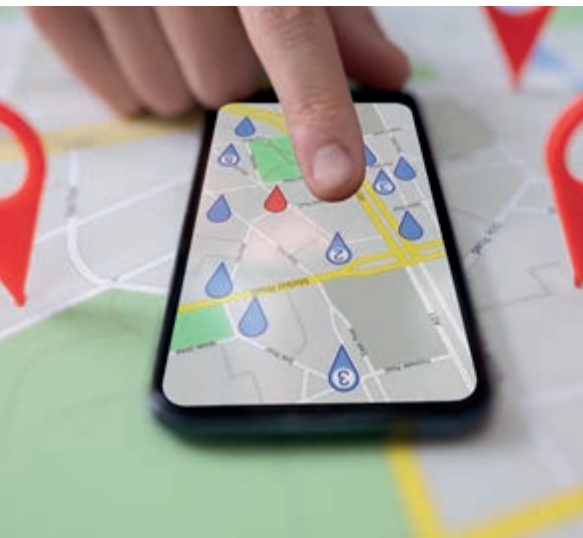

If you require time outside of the above, please contact the Learner Experience Team by emailing tacc@thurrock.gov.uk or phone **01375 372 476** and selecting option 1.

Follow us on social channels, or check our website, to discover more courses, news and events near you

Additional Learning Support

We will do all we can to help you succeed and achieve but understand there may be times when you need a little extra support, talk to our staff when you enrol so we can support you from the start of the course. You can also give us a call or visit our website for more information.

Some examples of support are:

- Learning Support Assistant in class
- Specific learning disability support e.g., Dyslexia, Dyspraxia and Dyscalculia
- Assistive equipment - such as screen magnifiers, large keyboards, text to speech
- Equipment loans (subject to eligibility)- such as loan of laptop or tablet
- Support with course fees, travel costs and childcare

There is also a gifting of SIM data cards scheme available at local libraries and hubs.

Many courses are free. English, maths and digital skills courses are free for everyone.

ESOL and other qualification courses may be free if you are unemployed, in receipt of income related benefits or earn less than £25,000 each year (Subject to change April 2025).

Declaration of Human Rights - Article 26

"Everyone has the right to education. Education shall be free, at least in the elementary and fundamental stages. Elementary education shall be compulsory. Technical and professional education shall be made generally available and higher education shall be equally accessible to all on the basis of merit."

TACC can support you with your right to learn. Eligibility rules apply.

Thurrock Works

We are working in partnership with Thurrock Works, a new All Age Career Service for Thurrock residents offering Career Advice and Guidance including CV writing, Interview preparation and more in Grays and surrounding areas.

To find out more email thurrockworks@thurrock.gov.uk or call them on 01375 413735.

Careers' Fair – Tuesday 10th September

Join us at The Old Courthouse in Grays, 10am – 2pm, for a careers fair in partnership with local employers.

Find out about local job opportunities and speak to employers about the types of roles available.

Discover more about training and courses available at TACC which can support you to find employment and improve your career prospects.

We offer English for Speakers of Other Languages (ESOL), English, and maths courses at all levels in a relaxed and supportive adult learning environment.

Courses are part time and run for up to 17 weeks. You can enrol at any time throughout the year. The start and end times are school friendly, enabling you to drop off or pick up children, and evening classes are available.

We place everyone in a class with others of similar abilities, so if you are just starting to learn to read, do not feel worried, your classmates will be in a similar position and all abilities are welcome.

Before starting your course, you will need to attend a skills scan to ensure you are joining the right course for you.

Dates are available throughout the year, please look at our website at **www.tacc.ac.uk** email **tacc@thurrock.gov.uk** or phone **01375 372 476**

ENGLISH

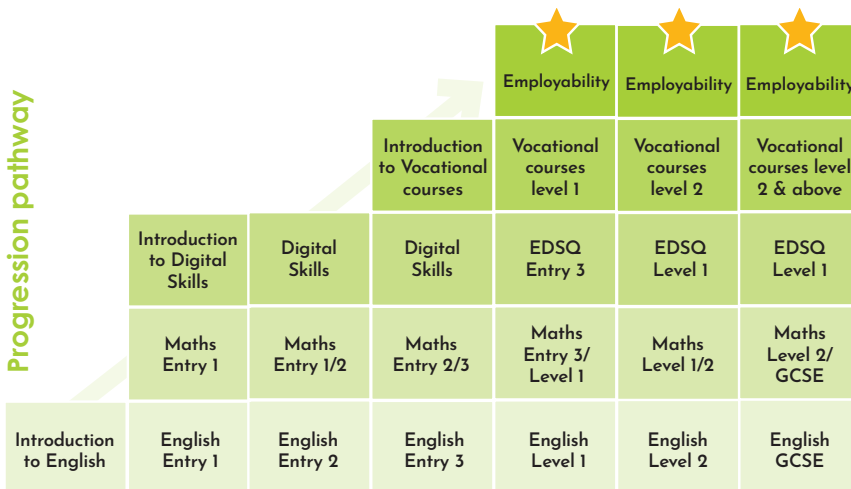

English - FREE

Learn to read, improve your writing or communication skills, or work towards a functional skills or GCSE qualification. Our experienced tutors will work with you to identify the things you need to focus on and support you in achieving your goals.

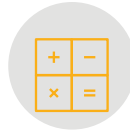

I have read more in the last 6 months than I have in the last 40 years and it's down to the help I get from my tutor. I am really enjoying classes and it is helping me at work.

Progression pathway

SKILLS FOR LIFE

MULTIPLY

Multiply is a government initiative designed to help people across England to improve their maths skills.

Employers can benefit from boosting their staff maths skills by working with the college to design bespoke programmes for their workforce – at no cost to them.

People with higher level maths skills are more likely to be in employment, have higher wages and improved personal wellbeing.

To function in the modern world, it is even more important to understand how number impacts on our lives.

We are here to help with your maths needs whether you have a fear of maths or you just need some additional knowledge to move ahead with your personal life or at work.

To find out more, please email multiply@thurrock.gov.uk.

MATHS

Maths is an essential skill in everyday life and can open the door to a range of careers.

You will focus on using maths to solve problems found in everyday life as well as in the workplace. You will develop independent learning skills and confidence using maths in a range of contexts.

Gaining a GCSE maths qualification is essential for many career pathways. Our yearlong course will provide you with the learning and support to work towards achieving the qualification.

I initially thought I wouldn't need maths once I had completed the course, but already I have seen how I use maths in everyday life and how much I had shied away using technology as a quick fix instead. Now, I am more confident in facing those times when I am at work and having to make quick calculations or reporting data, or at home discussing travel costs and household bills. It was a real confidence boost and encouraged me to understand that studying maths wasn't necessarily a challenge but something to look forward to.

SKILLS FOR LIFE

ENGLISH FOR SPEAKERS OF OTHER LANGUAGES (ESOL)

We will help you improve your reading, writing, speaking, listening, grammar, vocabulary, and pronunciation. Talk to your neighbours, help your children with homework, get a job, learn about life and work in the UK.

Classes available morning, afternoon and evenings so you can work and/or take children to school.

DIGITAL SKILLS - FREE COURSES

So much of our daily lives rely on us using computers and mobile technologies to access services and even work online.

Developing essential digital skills will give you the confidence and skills to live, work and learn in the new digital world. Courses are part-time in small groups with learners at a similar level to yourself.

Having the right skills and qualifications is more important than ever in today's competitive job market. These courses are for you whether you are getting back into work, not sure what sector you want to work in, are employed and looking for promotion or just for personal development.

Before starting your course, you will need to attend a skills scan to ensure you are joining the right course for you.

We have skills scan dates available at different times during the year, please look at our website at www.tacc.ac.uk, email tacc@thurrock.gov.uk or phone **01375 372 476**

EMPLOYABILITY

Tailored to equip you with essential workplace skills, including communication, teamwork, time management, and problem-solving. Led by experienced tutors, our expert approach ensures that you develop practical skills that are highly sought after by employers. Whether you're entering the workplace for the first time or seeking to enhance your employability, this course provides the foundation for success in any professional setting.

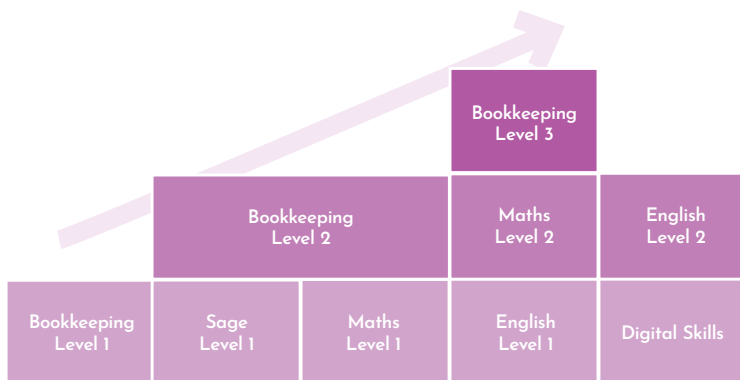

ASSOCIATION OF ACCOUNTING TECHNICIANS (AAT)-BOOKKEEPING

Discover your potential in bookkeeping with our comprehensive Bookkeeping level 1, 2 and 3 courses. Develop essential skills and knowledge in financial record-keeping, accounting principles, and software proficiency. With expert guidance from experienced tutors and practical hands-on training, you'll be equipped to excel in the field of bookkeeping.

Progression pathway

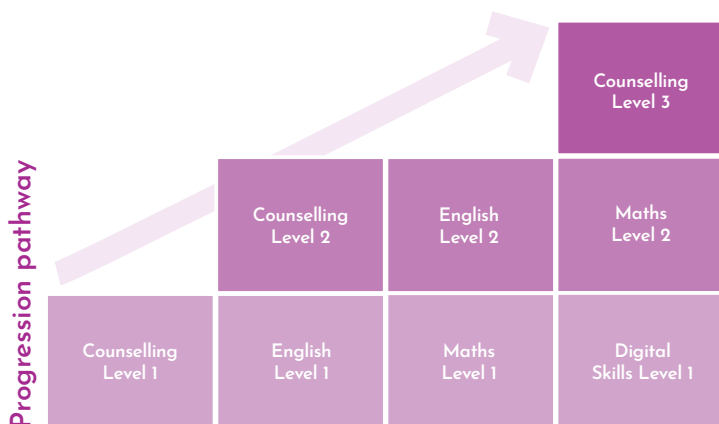

SKILLS FOR WORK

COUNSELLING

Start your counselling journey with our Level 1 and 2 qualifications.

Gain essential skills and knowledge in counselling theory, communication, and ethical practices. Our experienced tutors will guide you towards becoming a compassionate and competent counsellor. Enrol now to make a positive impact on people's lives through counselling.

HEALTH & CARE QUALIFICATIONS

From an introductory qualification to Level 2 tailored to your career pathway.

Whether you're just starting out or seeking to advance your career, our programs provide a foundation of knowledge and practical skills.

From an introduction to basic caregiving to level 2 advanced practices in healthcare, our team provides a supportive learning environment that develops vital communication skills and enhances your employability working in this rewarding sector.

EDUCATION & TRAINING LEVEL 3

This qualification is for those who:

- work or want to work as teachers/trainers in the further education and skills sector
- have just started a teaching/training role
- are assessors who wish to achieve a teaching/training qualification
- are teachers/trainers who are seeking career progression in their area of work

TEACHING ASSISTANT LEVELS 1,2,3

Make an impact as a Learning Support Assistant with our Level 1, 2, and 3 qualifications.

Gain essential skills and knowledge to support students with diverse learning needs but also the development of employability skills essential for success in the sector. Experienced tutors will guide you towards becoming a valuable asset in a learning environment.

These qualifications are a useful stepping stone into a career in teaching.

SEND

Level 2 Dyslexia qualification and ADHD Awareness course provides you with an understanding of dyslexia and ADHD, gaining invaluable insights into effective support strategies and interventions.

CHILDCARE LEVELS 1,2,3

Whether you're just starting out or looking to advance your career, our Level 1, Level 2, and Level 3 Childcare qualifications offer the perfect opportunity to develop essential skills and knowledge.

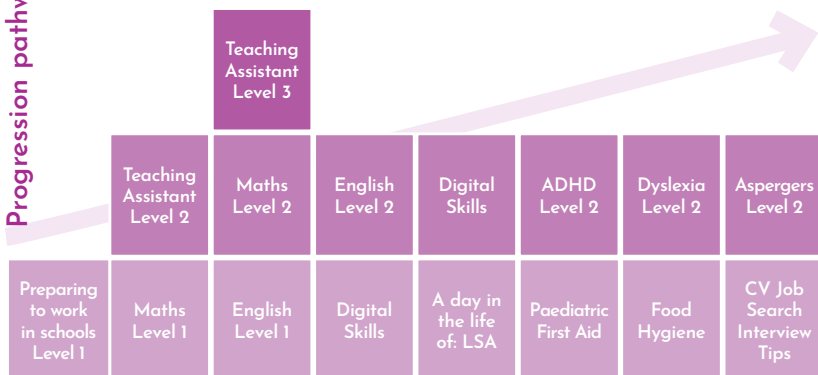

We offer tailored learning opportunities that can include volunteering experiences within a nursery or school-based setting, improving employability skills and equipping you with increased confidence and communication skills.

I am feeling more confident.

The course has allowed me to develop my skills as an Early Years Educator, and has given me the opportunity to be more professional in my job. It has empowered me to pursue my teaching passion further and provided me with opportunities to further development in the future.

Progression pathway

SKILLS FOR WORK

We deliver sessions at a range of different venues across Thurrock, all designed to bring learning opportunities to you. We are also working in partnership with other local groups to ensure that no part of the borough is left out. We want to ensure people can access learning close to where they live.

We are very excited with the range of sessions available from wellbeing and yoga to drawing and painting. We are pleased to offer a range of sewing classes – you can use one of our machines or bring along your own. All our courses are designed and delivered by specialist, qualified staff, with the aim of helping you gain a new skill or develop an existing one.

Follow us on Facebook, Instagram and LinkedIn to stay up to date with courses and events.

Creative Writing

This course will introduce you to the wonderful world of creative writing. It will empower you to try out or develop your creative writing skills, use your existing writing skills to express yourself, experiment with a variety of genres, and unlock your imagination.

Foreign Languages

We are now offering a range of 'Language Tasters' in Spanish, Italian, German and Chinese (Mandarin).

If you are interested in learning basic vocabulary and phrases in any of the above languages, our 5-week taster courses are a fantastic way to start. Classes are once a week, and you will learn in a fun and friendly environment.

Thurrock's Family Learning team offer a range of free sessions and courses for parents and carers with an aim to boost confidence and help build a child's self-esteem. We also offer sessions to help develop your child's maths and English skills, as well as fun activities to develop communication and social interaction.

Pre-booking is essential. If a class is full, you can register your interest and you will be contacted as more dates are added throughout the year.

Family Hubs, Early Years and Schools

Contact us by calling **01375 372 476** or email **tacc@thurrock.gov.uk** if you would like to work in partnership for the benefit of the families in your community.

TUTORS

When most people think about getting in to teaching, they think of schools, degrees and student debts. Adult education is different. Our courses are part time and start and finish to allow for school runs. No degree is needed, and the initial teacher training qualification can be completed within 12-13 weeks studying part time. See page 16 for more details.

The college funds this qualification for its teaching staff. We are always looking to increase the range of subjects we offer and grow our team of tutors. You may already have experience of teaching or training; have a hobby you would like to share with others or are interested in sharing your skills and knowledge from previous or current employment.

We'd like to hear from you if you have existing skills, or have a strong interest in the following areas: English, Maths, ESOL, Health & Social Care, Teaching Assistants, Digital Skills, Leadership & Management, Floristry, Horticulture, Cooking, Food Safety, Paediatric First Aid, Emergency First Aid at Work (EFAW), Ukrainian, Adults with learning difficulties & disabilities.

LEARNING SUPPORT ASSISTANTS (LSAS)

LSAs provide a vital role in supporting adult learners with additional needs whether that be a learning difficulty or disability or a health condition.

LSAs support learners one-to-one or in a small group setting in class or online and work under the direction of the Tutor. Work is part time, flexible hours and allows for school runs. This role can be fulfilling and often is an ideal stepping stone to a career in teaching.

VOLUNTEERS

Volunteers are an essential part of TACC's vision to contribute to the skills and wellbeing in our community.

If you have some free time, don't feel quite ready to take on a paid role or would just like to find out what it's like working in an adult education setting, then volunteering is ideal for you!

Many of our volunteers progress into learning support or teaching roles and find the experience of volunteering really fulfilling.

For more information about career or volunteering opportunities with TACC, contact TACC.HR@thurrock.gov.uk or visit our website: www.tacc.ac.uk.

Each year **2,000** people learn new skills or gain qualifications with us.

Why not join them?
